upset marked the opening scramgetting home in front of Hallfax. Baroary Belle and King's Daughter were showed in her last start. Hallfax, too, showed a far different performance than that of his last time out. To day he was a good horse. He opened up a gap of four lengths on the field, and at the systems of the start point of the start point

## Jubilee Came Back.

Jubilee Came Back.

Jubilee evidently didn't like the mud 
st yesterday, for he came back to-day 
with a grand race, just getting up in 
time to nip Rosimiro on the post. 
There was peculiar betting on this race. 
Woodlane was installed a 2 to 10 favorite, with Master Robert at 5 and 
Miss Delaney at 8. Such a good performer as Jubilee was held at 10, the 
same price as Rosimiro. Woodlane 
was prominent only for a short time, 
when Rosimiro headed him and led all 
the way, until Jubilee got up in the last 
fifty yards. Tartar Maid was third.

Von Tromp Bumped. Birteen were named to start in the third race, but scratches reduced the field to six. Von Tromp was made a 1 to 2 favorite, but after being knocked to his knees by Herman at the turn into the backstratch, was lucky o be second. Tony Bonero got around the first turn in front, but in the back-stretch relinquished the lead to Herman. At the far turn, Tony Bonero came again and opened up a gap, which was never closed. Von Tromp came fast, but it was no use. Clements was third

Please Had the Speed.

Servile, All Alone, Please and Biskra made the running in the fifth right up to the stretch. Here Servile tired and Please came from third place to win beging at the end trom Servile, who beat Biskra, the long shot, for the show end. All Alone was made favorite, while there was as good as five to two against Please, due to his having a stable bey up.

Long Shot a Winner.

Sally K., at a long price, went over in the final event, beating Easton, the favorite, easily. Muck Rake was third. Keene's Ecatarina led to the far turn and then backed up. Nearly every-thing in the race was played. Racing Charts on Page 7.
